The minimum value of works required to obtain **Home Indemnity Insurance** is **\$20,000**.

The maximum amount that can be claimed under a **Home Indemnity Insurance policy** is the value of contract work with a limit of **\$200,000**.

Who does Owner Builder Indemnity cover?

The purchaser and any subsequent purchaser of the home, not the actual owner builder, can claim on their Indemnity Policy if the owner builder has become insolvent, died or disappeared.

Hi Julie, Thank you so much for all of your prompt assistance-it is really appreciated!!

Please find attached completed proposal form and payment of the full amount of the premium quoted. Could you please urgently issue the receipt of payment and formal insurance documentation, if possible this afternoon.

Kind Regards

Greg Simon

I would like to make you aware of how pleasant, helpful and professional Julie was to deal with in regard to setting up our new policy on Friday.

Not only did she patiently guide me through the steps but she even gave up her own time to ensure everything could be done in time for us to secure the insurance before close of day.

This was very much appreciated and I would like you to pass on our sincere praise and appreciation for her 'top' effort.

Kind regards

Lorraine Stokes
